

5 Big Mistakes Most Home Buyers Make and How You Can Avoid Each One

- They don't ask the lenders enough questions or the right questions so they don't necessarily get the best loan for them.
- They don't act quickly enough when they find the right house...and someone else buys it.
- They don't make themselves and their offer look attractive to the seller.
- They don't think resale BEFORE they buy.
- They select the wrong agent and/or company to help them!
